— Follow the rules while riding —

Follow the basic bicycle traffic rules and enjoy cycling comfortably. Do not stop on roadways to take photographs of the route markers because it is dangerous.

Do not ride while using your mobile phone or earphones

Do not ride while holding an umbrella

Do not ride side by side or with two people

When overtaking or changing lanes, make sure to check behind you

Take out bicycle liability insurance

Inspect your bicycle at a bicycle shop once a year

Five Rules for Safe Bicycle Use

(Revised on November 1, 2022)

- In principle, ride on the left side of roadways, except on sidewalks, and give pedestrians priority
- At intersections, stop at traffic lights and stop signs to confirm safety
- Turn on bicycle lights at night
- Do not drink and ride
- Wear a helmet
