10. TERMINATION OF THIS AGREEMENT

10.1 This Agreement is valid from the EFFECTIVE DATE and shall remain valid indefinitely unless otherwise terminated pursuant to Clauses 10.2, 10.3, 10.4 or 10.5. For the avoidance of doubt, the PARTIES expressly agree that this Agreement will not enter into force so long as this Agreement has not been signed by all the PARTIES.

10.2 Either JAPANESE PARTY (the “**WITHDRAWING PARTY**”) shall be authorised to withdraw from this Agreement upon written notice to the other PARTIES (the “**REMAINING PARTIES**”) and WA. In such case, the REMAINING PARTIES and WA shall, within sixty (60) days following the written notice from the WITHDRAWING PARTY, decide whether

the collaboration undertaken according to this Agreement can continue without the WITHDRAWING PARTY (in which case this Agreement shall be amended accordingly) or if this Agreement shall terminate, subject to approval from WA, and decide upon the date of termination and steps to be taken to that end by the PARTIES. The WITHDRAWING PARTY shall indemnify the REMAINING PARTIES and WA for all costs incurred, including during the WITHDRAWAL PERIOD (as defined below). The withdrawal shall be effective on the first BUSINESS DAY following the twelve (12) months term after all PARTIES and WA have been effectively notified by the WITHDRAWING PARTY (the “**WITHDRAWAL PERIOD**”).

10.3 In the event that a JAPANESE PARTY cannot or does not perform its obligations according to the terms of this Agreement (the “**BREACHING PARTY**”) due to a reason related to such BREACHING PARTY (including, without limitation, breach of the Agreement or bankruptcy), any of the other PARTIES may request (via written notice) the BREACHING PARTY to remedy the situation within thirty (30) days. If the BREACHING PARTY fails to remedy the situation within such period of time, upon at least thirty (30) days prior written notice (sent to the BREACHING PARTY and the other PARTIES), (i) the other JAPANESE PARTIES may decide to remove the BREACHING PARTY from the Agreement (with the prior written approval from WA) and (ii) WA may decide to remove the BREACHING PARTY from this Agreement. In such case, the other PARTIES shall decide whether the collaboration undertaken according to this Agreement can continue without the BREACHING PARTY (in which case this Agreement shall be amended accordingly) or if this Agreement shall terminate at the time of removal of the BREACHING PARTY. The BREACHING PARTY shall take all necessary measures in order to ensure the continuity of the collaboration under this Agreement (until and after the date of removal) at its own costs and indemnify the other JAPANESE PARTIES and WA for all damages and costs incurred as a result of such removal.

10.4 In addition to the termination events included under Clauses 10.2 and 10.3 here above, WA may at any time and without liability, revoke the ARCHIVAL LICENCE granted to the ARCHIVE ORGANIZATION with twelve (12) months prior written notice (unless otherwise reasonably agreed in good faith between the PARTIES) sent to the ARCHIVE ORGANIZATION (with copies to the other PARTIES), whenever WA objectively and reasonably consider at its sole discretion that the purposes and objectives of this Agreement have not been, or will likely not be, achieved in the manner, level or form expected by WA. The Agreement would terminate at the time the ARCHIVAL LICENCE terminates.

10.5 In the event WA definitively refuses the final list of TOKYO 2025 ARCHIVES ASSETS

submitted by the LOC, then this Agreement would terminate with immediate effect, save where agreed otherwise between the PARTIES.

10.6 In the event this Agreement is terminated (for any reason whatsoever), the ARCHIVE ORGANIZATION shall transfer the TOKYO 2025 ARCHIVES ASSETS to third parties designated by WA before the effective date of termination of this Agreement. The costs related to such transfer of the TOKYO 2025 ARCHIVES ASSETS shall be borne by:

- The WITHDRAWING PARTY in case of termination according to Clause 10.2;
- The BREACHING PARTY in case of termination according to Clause 10.3 (provided the BREACHING PARTY has been found liable by a competent court);
- WA in case of termination according to Clause 10.4 (save where WA revoked the ARCHIVAL LICENCE due to a reason attributable to a JAPANESE PARTY (such as, without limitation, breach of the Agreement or bankruptcy) in which case the costs shall be borne by such JAPANESE PARTY);
- The ARCHIVE ORGANIZATION in any other cases.

10.7 The loss of legal personality due to the dissolution and liquidation of the LOC shall not constitute 'withdrawal' as defined in Clause 10.2, and this Agreement shall not terminate upon the disappearance of the LOC but shall remain valid and continue among the remaining Parties. However, if the other Parties determine that the cooperation under this Agreement cannot continue without the LOC, such Parties may terminate this Agreement under conditions separately stipulated by them.

11. NO ASSIGNMENT OR WAIVER

11.1 The JAPANESE PARTIES shall not assign or transfer to third parties, provide as collateral, or otherwise dispose of this Agreement, their status under this Agreement and the rights and obligations arising therefrom without the prior written consent of all the other PARTIES. Any such assignment, transfer, disposition or act without the relevant written consents shall be null and void.

11.2 The PARTIES acknowledge and agree that no failure on the part of a PARTY to exercise, and no delay in exercising, any right under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise by a PARTY of any right under this Agreement preclude any other or future exercise thereof or the exercise of any other right.

12. LIABILITY

12.1 The ARCHIVE ORGANIZATION, and the other JAPANESE PARTIES when acting as ASSET MANAGEMENT TRUSTEES, will take all reasonable precautions compatible with the provision of public access to protect the TOKYO 2025 ARCHIVES ASSETS from damage, loss or theft and from additions or fraudulent amendments, and shall be liable to WA for any damage to, or loss or theft of, the TOKYO 2025 ARCHIVES ASSETS or any part of it during the term of this Agreement. In this respect, it is understood that the measures implemented by the ARCHIVE ORGANIZATION (and the other JAPANESE PARTIES when acting as ASSET MANAGEMENT TRUSTEES) to protect the TOKYO 2025 ARCHIVES ASSETS shall be no less protective than the measures normally used by archival entities at the international level in accordance with internationally recognised professional standards.

12.2 The ARCHIVE ORGANIZATION and the other JAPANESE PARTIES (to the extent they act as ASSET MANAGEMENT TRUSTEES), upon transfer of the TOKYO 2025 ARCHIVES ASSETS (from the LOC), shall indemnify and hold WA, including its directors, employees, representatives and agents, harmless from any claim, liability or expense (including any and all legal fees) arising from, or in connection with, any third party's claim that may arise from the storage, conservation and management of the TOKYO 2025 ARCHIVES ASSETS. However, this shall not apply to any matters arising from reasons attributable to WA, including its directors, employees, representatives and agents.

13. MISCELLANEOUS

13.1 Except as otherwise set out herein, each JAPANESE PARTY will be responsible for the costs and expenses in relation to this Agreement, in particular with regard to its respective activities. The ARCHIVE ORGANIZATION undertakes to accept and store the TOKYO 2025 ARCHIVES ASSETS at the ARCHIVE ORGANIZATION's premises (or another location approved by WA), without any fee or charge for WA.

13.2 In the case that any provision of this Agreement may be invalid, illegal or unenforceable, such provision shall be interpreted so as to reflect the intent of the PARTIES as closely as possible, to the maximum extent permitted by the applicable laws. The remaining provisions of this Agreement shall remain valid and shall continue to bind the PARTIES.

13.3 The PARTIES guarantee that they will at all times comply with all applicable laws and regulations related to their activities pursuant to this Agreement, including (without limitation) all applicable anti-bribery and anti-corruption laws (some of which may have an extra-territorial reach) and respect the principles contained in the United Nations Guiding

Principles on Business and Human Rights.

13.6 The JAPANESE PARTIES jointly agree and confirm that this Agreement as well as any and all amendments or modifications to this Agreement, after consultation and agreement by all JAPANESE PARTIES, will need prior written approval of WA. Any modification or amendment made without such prior approval shall be null and void.

14. GOVERNING LAWS AND DISPUTE RESOLUTION

14.1 This Agreement shall be interpreted in accordance with the laws of Japan.

14.2 The PARTIES shall attempt to resolve any dispute or claim arising between the PARTIES out of this Agreement by way of prompt negotiations. If any such dispute or claim is not so resolved by the PARTIES by way of negotiations within a reasonable period of time (but, in any case, no more than thirty (30) days), each PARTY may refer it for adjudication by the courts in accordance with Clause 14.3.

14.3 The PARTIES agree that any dispute relating to this Agreement (including any mediation proceeding of the court) will be subject to the exclusive jurisdiction of the Tokyo District Court.

Appendix 3

TOKYO 2025 WORLD ATHLETICS ARCHIVE POLICY

1. Position and Purpose of This Policy

The “TOKYO 2025 WORLD ATHLETICS ARCHIVE POLICY” (hereinafter referred to as the “Policy”) sets out the policy framework for the preservation, management and utilisation of the TOKYO 2025 ARCHIVES ASSETS listed in Appendix 1 (Final List of the TOKYO 2025 ARCHIVES ASSETS) to TOKYO 2025 ARCHIVES ASSETS AGREEMENT FOR THE WORLD ATHLETICS CHAMPIONSHIPS TOKYO 25 (hereinafter referred to as the "Agreement") approved by WA. The purpose of this Policy is to promote a shared understanding among the successor organizations of the basic framework and mechanisms necessary to ensure the preservation, management and utilisation of the TOKYO 2025 ARCHIVES ASSETS.

2. TOKYO 2025 ARCHIVES ASSETS

(1) Definition of the TOKYO 2025 ARCHIVES ASSETS

The TOKYO 2025 ARCHIVES ASSETS mean those assets, content or materials produced or received by the LOC for the purpose of the organisation and operation of the WORLD ATHLETICS CHAMPIONSHIPS TOKYO 25 which have been identified by the LOC, with the support of the OM and TMG, as assets that convey the historical and social value of the WORLD ATHLETICS CHAMPIONSHIPS TOKYO 25 to future generations.

The TOKYO 2025 ARCHIVES ASSETS shall, upon obtaining WA’s approval of Appendix 1, which constitutes the final list of the assets, content and materials comprising the TOKYO 2025 ARCHIVES ASSETS, be transferred to the ARCHIVE ORGANIZATION and succeeded¹ to the ARCHIVE ORGANIZATION and any ASSET MANAGEMENT TRUSTEES acting on its behalf in part.

¹ The term “succession” refers solely to the transfer of physical custody of the assets and does not imply the transfer of any rights that continue to vest in WA, including ownership and intellectual property rights, to the extent such rights remain subject to the applicable provisions. The term “succession” as used throughout this Policy shall have the same meaning in all instances.

(2) Scope and Classification of the TOKYO 2025 ARCHIVES ASSETS

The TOKYO 2025 ARCHIVES ASSETS are classified into tangible assets and documentary assets, as set out below.

(a) Tangible Assets

Tangible assets are broadly divided, as shown in the table on the following page, into artifacts and memorabilia² and audiovisual materials³.

These assets refer to those that reflect the image of the WORLD ATHLETICS CHAMPIONSHIPS TOKYO 25 (e.g. event decorations and medals) or that strongly preserve the memory of athletes' performances (e.g. competition equipment such as hurdles), and that contribute to the transmission of the legacy of the WORLD ATHLETICS CHAMPIONSHIPS to future generations.

In principle, tangible assets are limited to those produced by the LOC⁴.

(b) Documentary Assets

Documentary assets refer to documents that need to be succeeded to as records of, or operational know-how relating to, the WORLD ATHLETICS CHAMPIONSHIPS TOKYO 25, as well as documents of cultural, educational or historical value, including various publications and reports.

² "Artifacts and Memorabilia" refer to items that symbolically represent the functions of each FA ("Artifacts") and items that embody the memories and stories of the event ("Memorabilia"). Specific examples are set out in the Asset Classification Table on the following page. (For the purposes of this Policy, "FA" is an abbreviation for "Functional Area" and refers to a department within the LOC responsible for the provision of a specific set of services and related services.)

³ "Audio and/or Visual Materials" refer to materials that record information perceivable visually, aurally, or both, including still images such as photographs, moving images, and audio recordings. Specific examples are set out in the Asset Classification Table on the following page.

⁴ "Archives Assets" are defined as assets created or received for the purposes of event operations and other related activities that are intended to convey historical and social value to future generations. As a conceptual matter, this definition may include assets created by entities other than the LOC (including WA or TMG). However, with respect to the Archives Assets of the WORLD ATHLETICS CHAMPIONSHIPS TOKYO 25, all such assets were at one time held by the LOC and therefore, in practice, fall into either assets created by the LOC or assets received by the LOC.

ASSET MANAGEMENT TRUSTEES (*): Parties to this Agreement (TMG), and other entities

(*) ASSET MANAGEMENT TRUSTEES mean entities that are authorised, in accordance with the terms of a separate agreement approved in writing by WA (the ASSET MANAGEMENT AND UTILISATION AGREEMENT⁵), to exercise the ARCHIVAL LICENCE on behalf of the ARCHIVE ORGANIZATION (the OM). The template of such an agreement shall be subject to WA's approval prior to execution.

○Diagram of Relationships under this Agreement

⁵ “ASSET MANAGEMENT AND UTILISATION AGREEMENT” means a separate agreement, approved in writing by WA, entered into between the ARCHIVE ORGANIZATION (the Japan Association of Athletics Federations) and an ASSET MANAGEMENT TRUSTEE, for the purpose of supporting the ARCHIVE ORGANIZATION's (the Japan Association of Athletics Federations) obligations under this Agreement, by supporting the ARCHIVE ORGANIZATION (the Japan Association of Athletics Federations) for the preservation, management and utilisation of all or part of the TOKYO 2025 ARCHIVES ASSETS.

4. Preservation, Management and Utilisation after Succession

With respect to the preservation, management and utilisation of the TOKYO 2025 ARCHIVES ASSETS, the ARCHIVAL LICENCE that may be exercised by each successor organization and the responsibilities assumed by such organizations are as set out below.

The specific details thereof are stipulated in the ASSET MANAGEMENT AND UTILISATION AGREEMENT entered into by the relevant ASSET MANAGEMENT TRUSTEES.

(1) ARCHIVAL LICENCE

The ARCHIVE ORGANIZATION has been granted by WA an ARCHIVAL LICENCE that enables non-commercial and curatorial activities carried out for the purpose of preserving, managing and utilising the TOKYO 2025 ARCHIVES ASSETS received by it.

ASSET MANAGEMENT TRUSTEES, on the other hand, may exercise such licence on behalf of the ARCHIVE ORGANIZATION by entering into an ASSET MANAGEMENT AND UTILISATION AGREEMENT with the ARCHIVE ORGANIZATION and upon WA granting permission for the ARCHIVE ORGANIZATION to sublicense such licence to the relevant ASSET MANAGEMENT TRUSTEE.

The specific rights included in the ARCHIVAL LICENCE⁶ are as follows:

- (a) The right to appraise, select and retain the TOKYO 2025 ARCHIVES ASSETS.

The foregoing does not include the right to broadcast the TOKYO 2025 ARCHIVES ASSETS, unless WA, at its discretion, grants prior written approval on a case-by-case basis.

For the avoidance of doubt, with respect to audiovisual materials, making such materials accessible via the internet is deemed by WA to constitute broadcasting of the TOKYO 2025 ARCHIVES ASSETS; accordingly, prior written approval from WA is required even where geo-blocking is applied.

(f) The right to distribute reproductions of the TOKYO 2025 ARCHIVES ASSETS (for example, the provision of printed materials).

(g) The right, in accordance with this Agreement, to communicate the TOKYO 2025 ARCHIVES ASSETS to the public (for example, the online publication of inventories limited to access within Japan).

(h) The right, solely for the purpose of facilitating access, exhibition and data mining¹⁰, to translate and convert the TOKYO 2025 ARCHIVES ASSETS (for example, the preparation of Japanese-language translations for explanatory purposes).

⁹ “Geo-blocking” refers to a technology that imposes certain restrictions based on the geographic location of a user attempting to access content (in particular, content accessed via the internet). Specifically, where the TOKYO 2025 ARCHIVES ASSETS are made accessible online, they must be configured so as to prevent access from locations outside Japan.

¹⁰ “Data mining” refers to techniques for analysing large volumes of collected data in order to identify correlations, patterns and other relationships.

Notes: Restrictions on the Storage, Management, and Utilisation of the TOKYO 2025 ARCHIVES ASSETS¹¹

(i) Secondary Use

Where secondary use is desired, prior written approval must be obtained separately at WA's discretion.

(ii) Restrictions on Audiovisual Materials

Among the TOKYO 2025 ARCHIVES ASSETS, audiovisual materials may be stored, managed, and utilised only in accordance with the usage conditions set forth below¹².

¹¹ The restrictions concerning secondary use and audiovisual materials are illustrative only and are not exhaustive. Any use of the Archives Assets in a manner not expressly permitted under this Agreement or the ASSET MANAGEMENT AND UTILISATION AGREEMENT shall not be allowed. Furthermore, the preservation, management and utilisation of the TOKYO 2025 ARCHIVES ASSETS shall be carried out in accordance with WA's policies and related guidelines.

¹² Among the audiovisual materials, the following two categories may be used without obtaining WA's consent, provided that such use is limited to within Japan and that access from outside Japan is restricted through geo-blocking: (i) Still images that do not contain any marks, indications or names relating to the World Athletics Championships, and that are not competition-related images of the WORLD ATHLETICS CHAMPIONSHIPS TOKYO 25 (including, for example, images of practice sessions, competitions or ceremonies); and (ii) Digitised versions of physical media assets (including electronic versions of official posters).

Furthermore, any future digitisation of the TOKYO 2025 ARCHIVES ASSETS shall require the prior written approval of WA.

(iv) Documentary Assets

With respect to documentary assets designated as “Restricted-User Documents” in the TOKYO 2025 ARCHIVES ASSETS List, such documents contain knowledge, expertise and other information relating to the preparation and operation of the WORLD ATHLETICS CHAMPIONSHIPS TOKYO 25. Accordingly:

- (i) access to such documents shall be limited to potential organisers of international sporting events and to all parties to this Agreement; and
- (ii) records of the use of such documents shall be promptly reported by the ARCHIVE ORGANIZATION to WA, and WA shall also be entitled to utilise such documents.

(2) Responsibilities

Each successor organization shall be primarily responsible for the following matters with respect to the preservation, maintenance and utilisation of the TOKYO 2025 ARCHIVES ASSETS:

- (f) reporting activities to WA (the ASSET MANAGEMENT TRUSTEES shall submit their activity reports to OM, and OM shall compile and submit such reports to WA; such reporting shall be conducted once per year until 2027, and thereafter as requested by WA).

These refer to internationally recognized and credible standards, namely international standards and guidelines issued by leading professional organizations that internationally oversee “archival institutions” engaged in the collection, preservation, and provision of cultural and historical information resources, such as museums and libraries. Successor organizations shall refer to domestic standards and guidelines formulated based on such international standards.

¹³ “Integrity” means the protection of the assets from damage, alteration, or any other unauthorized modification.
